EXPLANATORY NOTES

The One Kendall Square Mortgage Loan, which constituted approximately 9.7% of the asset pool of the issuing entity as of its cut-off date, is an asset of the issuing entity and is part of a loan combination that includes the One Kendall Square Mortgage Loan and one other *pari passu* loan, which is not an asset of the issuing entity. This loan combination, including the One Kendall Square Mortgage Loan, is being serviced and administered pursuant to the Pooling and Servicing Agreement, which is incorporated by reference as Exhibit 4.1 to this Annual Report on Form 10-K.

The Exhibit Index describes exhibits provided by certain parties (in their capacities indicated on the Exhibit Index) with respect to the Google and Amazon Office Portfolio Mortgage Loan, which constituted approximately 9.7% of the asset pool of the issuing entity as of its cut-off date. The Google and Amazon Office Portfolio Mortgage Loan is an asset of the issuing entity and is part of a loan combination that includes the Google and Amazon Office Portfolio Mortgage Loan and three other *pari passu* loans, which are not assets of the issuing entity. A *pari passu* portion of the loan combination was securitized in the COMM 2014-CCRE14 Mortgage Trust transaction, Commission File Number 333-184376-11 (the “COMM 2014-CCRE14 Transaction”). This loan combination, including the Google and Amazon Office Portfolio Mortgage Loan, is being serviced and administered pursuant to the pooling and servicing agreement for the COMM 2014-CCRE14 Transaction, which is incorporated by reference as Exhibit 4.2 to this Annual Report on Form 10-K.

The master servicer of a pooling and servicing agreement or trust and servicing agreement also functions as the primary servicer of the related mortgage loans serviced and administered pursuant to such agreement unless a separate primary servicer is identified herein. If this report does not identify a separate primary servicer, the servicer compliance statement provided by the master servicer under any such agreement also encompasses its responsibilities as primary servicer of the related mortgage loan or mortgage loans.

U.S. Bank National Association acts as trustee of the mortgage loans serviced under the Pooling and Servicing Agreement and the Google and Amazon Office Portfolio Mortgage Loan prior to October 17, 2022, and U.S. Bank Trust Company, National Association acts as trustee of the mortgage loans serviced under the Pooling and Servicing Agreement and the Google and Amazon Office Portfolio Mortgage Loan on and after October 17, 2022. Pursuant to the Pooling and Servicing Agreement and the pooling and servicing agreement for the COMM 2014-CCRE14 Transaction, the trustee is required to provide an assessment of compliance with applicable servicing criteria solely with respect to Item 1122(d)(2)(iii) of Regulation AB (regarding advances of funds or guarantees regarding collections, cash flows or distributions, and any interest or other fees charged for such advances, are made, reviewed and approved as specified in the transaction agreements). However, during the reporting period, the trustee did not perform any servicing function with respect to the servicing criteria specified in Item 1122(d)(2)(iii) of Regulation AB. The master servicer or the special servicer, to the extent required, performed the servicing function identified with respect to Item 1122(d)(2)(iii) of Regulation AB, and each such party included Item 1122(d)(2)(iii) of Regulation AB in the assessment of compliance with applicable servicing criteria and accountant’s attestation report for the subject transaction. As a result, this Annual Report on Form 10-K does not include an assessment of compliance with applicable servicing criteria of the trustee. One or more other servicers of the mortgage loans serviced under the Pooling and Servicing Agreement and the Google and Amazon Office Portfolio Mortgage Loan have delivered one or more assessments of compliance with respect to Item 1122(d)(2)(iii) of Regulation AB.

This Annual Report on Form 10-K includes assessments of compliance with applicable servicing criteria and accountants’ attestation reports from CoreLogic Solutions, LLC. This entity was engaged by the primary servicer of the Google and Amazon Office Portfolio Mortgage Loan to remit tax payments received from the escrow accounts of borrowers to local taxing authorities, to report tax amounts due, to verify tax parcel information, and to verify non-escrow tax payments. These servicing functions are included within the servicing criteria set forth in Items 1122(d)(4)(xi) and 1122(d)(4)(xii) of Regulation AB. Therefore, under the principles-based definition of “servicer” set forth in Item 1101(j) of Regulation AB that looks to the functions that an entity performs, this vendor is a “servicer” for the purposes of Item 1122 of Regulation AB. *See* Compliance and Disclosure Interpretations, Section 301.01 (Item 1101(j)).

The assessment of compliance with applicable servicing criteria, accountants’ attestation report and servicer compliance statement of the certificate administrator of the Google and Amazon Office Portfolio Mortgage Loan is omitted from this Annual Report on Form 10-K as the certificate administrator pursuant to the related pooling and servicing agreement or trust and servicing agreement does not perform any activities that address servicing criteria with respect to the issuing entity and because it is not a “servicer” that meets the criteria in Item 1108(a)(2)(i) through (iii) of Regulation AB.

With respect to the *pari passu* loan combination that includes the Google and Amazon Office Portfolio Mortgage Loan, the servicer compliance statements of Wells Fargo Bank, National Association as primary servicer of the Google and Amazon Office Portfolio Mortgage Loan and Rialto Capital Advisors, LLC as special servicer of the Google and Amazon Office Portfolio Mortgage Loan, listed on the Exhibit Index are omitted from this Annual Report on Form 10-K as they are not required by Item 1123 of Regulation AB to be included on this Annual Report on Form 10-K because they are each an unaffiliated party that is not a “servicer” that meets the criteria in Item 1108(a)(2)(i) through (iii) of Regulation AB.

Item 1117 of Regulation AB, Legal Proceedings.

The registrant knows of no material pending legal proceeding involving the trust or any party related to the trust, other than routine litigation incidental to the duties of those respective parties, and the following, with respect to Deutsche Bank Trust Company Americas, as Certificate Administrator and Custodian, and U.S. Bank National Association, as Trustee.

Deutsche Bank Trust Company Americas ("DBTCA") and Deutsche Bank National Trust Company ("DBNTC") have been sued by investors in civil litigation concerning their role as trustees of certain residential mortgage-backed securities ("RMBS") trusts.

On June 18, 2014, a group of investors, including funds managed by Blackrock Advisors, LLC, PIMCO-Advisors, L.P., and others, filed an action against DBNTC and DBTCA in New York State Supreme Court alleging that DBNTC and DBTCA failed to perform purported duties, as trustees for 544 private-label RMBS trusts, to enforce breaches of representations and warranties as to mortgage loans held by the trusts and to enforce breaches by servicers of their mortgage loan servicing obligations for the trusts. During the course of the litigation, plaintiffs dismissed the case from New York State Supreme Court and refiled two separate cases, one in the U.S. District Court for the Southern District of New York (the "*BlackRock* SDNY Case") and the other in the Superior Court of California, Orange County (the "*BlackRock* California Case"). Pursuant to a settlement among the parties, the *BlackRock* SDNY Case was dismissed on December 6, 2018, and the *BlackRock* California Case was dismissed on January 11, 2019.

On September 27, 2017, DBTCA was added as a defendant to a case brought by certain special purpose entities including Phoenix Light SF Limited in the U.S. District Court for the Southern District of New York, in which the plaintiffs previously alleged incorrectly that DBNTC served as trustee for all 43 of the trusts at issue. On September 27, 2017, plaintiffs filed a third amended complaint that names DBTCA as a defendant in addition to DBNTC. DBTCA serves as trustee for one of the 43 trusts at issue. DBNTC serves as trustee for the other 42 trusts at issue. Plaintiffs' third amended complaint brings claims for violation of the U.S. Trust Indenture Act of 1939 ("TIA"); breach of contract; breach of fiduciary duty; negligence and gross negligence; violation of New York's *Streit* Act; and breach of the covenant of good faith. However, in the third amended complaint, plaintiffs acknowledge that, before DBTCA was added to the case, the court dismissed plaintiffs' TIA Act claims, negligence and gross negligence claims, *Streit* Act claims, claims for breach of the covenant of good faith, and certain theories of plaintiffs' breach of contract claims, and plaintiffs only include these claims to preserve any rights on appeal. Plaintiffs allege damages of "hundreds of millions of dollars." On November 13, 2017, DBNTC and DBTCA filed an answer to the third amended complaint. On December 7, 2018, DBNTC and DBTCA filed a motion for summary judgment. Also on December 7, 2018, plaintiffs, jointly with Commerzbank AG (see description of Commerzbank case below), filed a motion for partial summary judgment. On October 27, 2021, DBNTC and DBTCA filed a supplemental motion for summary judgment relating to plaintiffs' standing. On February 8, 2022, the court issued an order in which it granted DBNTC and DBTCA's supplemental motion for summary judgment, granted in part DBNTC and DBTCA's initial motion for summary judgment, and denied plaintiffs' motion for partial summary judgment. As a result of that order, all of plaintiffs' claims were dismissed with prejudice. On March 10, 2022, plaintiffs filed a notice of appeal to the United States Court of Appeals for the Second Circuit with respect to the court's orders on the motions to dismiss and for summary judgment.

On November 30, 2017, DBTCA was added as a defendant to a case brought by Commerzbank AG ("Commerzbank") in the U.S. District Court for the Southern District of New York, in which Commerzbank previously alleged incorrectly that DBNTC served as trustee for all 50 of the trusts

at issue. On November 30, 2017, Commerzbank filed a second amended complaint that names DBTCA as a defendant in addition to DBNTC. DBTCA serves as trustee for 1 of the 50 trusts at issue. DBNTC serves as trustee for the other 49 trusts at issue. Commerzbank's second amended complaint brings claims for violation of the TIA; breach of contract; breach of fiduciary duty; negligence; violation of the Streit Act; and breach of the covenant of good faith. However, in the second amended complaint, Commerzbank acknowledges that, before DBTCA was added to the case, the court dismissed Commerzbank's TIA claims for the trusts governed by pooling and servicing agreements, as well as its Streit Act claims and claims for breach of the covenant of good faith, and Commerzbank only includes these claims to preserve any rights on appeal. The second amended complaint alleges that DBNTC and DBTCA caused Commerzbank to suffer "hundreds of millions of dollars in losses," but the complaint does not include a demand for money damages in a sum certain. On January 29, 2018, DBNTC and DBTCA filed an answer to the second amended complaint. On December 7, 2018, DBNTC and DBTCA filed a motion for summary judgment. Also on December 7, 2018, Commerzbank, jointly with the *Phoenix Light* plaintiffs, filed a motion for partial summary judgment. On February 8, 2022, the court issued an order in which it granted in part DBNTC and DBTCA's motion for summary judgment and denied plaintiffs' motion for partial summary judgment. As a result of that order, many of plaintiffs' claims and theories were dismissed with prejudice. Discovery is ongoing.

On December 30, 2015, IKB International, S.A. in Liquidation and IKB Deutsche Industriebank A.G. (collectively, "IKB"), as an investor in 37 RMBS trusts, filed a summons with notice in the Supreme Court of the State of New York, New York County, against DBNTC and DBTCA as trustees of the trusts. On May 27, 2016, IKB served its complaint asserting claims for breach of contract, breach of fiduciary duty, breach of duty to avoid conflicts of interest, violation of the Streit Act, violation of the TIA, violation of Regulation AB, and violation of Section 9 of the Uniform Commercial Code. IKB alleges that DBNTC and DBTCA are liable for over U.S. \$268 million in damages. On October 5, 2016, DBNTC and DBTCA, together with several other trustees defending lawsuits by IKB, filed a joint motion to dismiss. On January 6, 2017 and June 20, 2017, IKB voluntarily dismissed with prejudice all claims as to seven trusts. On January 27, 2021, the court granted in part and denied in part DBNTC and DBTCA's motion to dismiss. The court granted the motion to dismiss with respect to IKB's claims for violations of the Streit Act, Regulation AB, and Section 9 of the Uniform Commercial Code, as well as certain aspects of IKB's claims for breach of contract, breach of fiduciary duty, and violation of the TIA. The court denied the remainder of the motion to dismiss. IKB's remaining claims for breach of contract, breach of fiduciary duty, breach of duty to avoid conflicts of interest, and violation of the TIA will proceed. On May 10, 2021, DBNTC and DBTCA filed a notice of appeal with the New York Supreme Court Appellate Division, First Department, regarding certain aspects of the court's order on the motion to dismiss. On May 20, 2021, IKB filed a notice of cross appeal with respect to other aspects of that order. On August 30, 2022, the New York Supreme Court, Appellate Division, First Department affirmed in part and reversed in part the court's order on the motion to dismiss. On November 10, 2022, the First Department granted DBNTC and DBTCA's motion for leave to appeal to the Court of Appeals, and denied IKB's separate motion for reargument and leave to appeal. On June 2, 2021, IKB filed a motion for re-argument regarding certain aspects of the court's order on the motion to dismiss, which the court denied on August 3, 2021. On May 13, 2021, DBNTC and DBTCA filed an answer to the complaint. On October 28, 2021, the parties filed a stipulation, voluntarily dismissing with prejudice all claims as to seven additional trusts. On December 29, 2021, the parties filed a stipulation, voluntarily dismissing with prejudice all claims as to one additional trust. On April 22, 2022, the parties filed a stipulation, voluntarily dismissing with prejudice all claims as to 17 certificates at issue (including all claims as to 5 trusts), leaving 17 trusts at issue. Discovery is ongoing.

It is DBTCA's belief that it has no pending legal proceedings (including, based on DBTCA's present evaluation, the litigation disclosed in the foregoing paragraphs) that would materially affect its ability to perform its duties under the related servicing agreement.

In the last several years, U.S. Bank National Association ("U.S. Bank") and other large financial institutions have been sued in their capacity as trustee or successor trustee for certain residential mortgage backed securities ("RMBS") trusts. The complaints, primarily filed by investors or investor groups against U.S. Bank and similar institutions, allege the trustees caused losses to investors as a result of alleged failures by the sponsors, mortgage loan sellers and servicers to comply with the governing agreements for these RMBS trusts. Plaintiffs generally assert causes of action based upon the trustees' purported failures to enforce repurchase obligations of mortgage loan sellers for alleged breaches of representations and warranties, notify securityholders of purported events of default allegedly caused by breaches of servicing standards by mortgage loan servicers and abide by a heightened standard of care following alleged events of default.

U.S. Bank denies liability and believes that it has performed its obligations under the RMBS trusts in good faith, that its actions were not the cause of losses to investors, that it has meritorious defenses, and it has contested and intends to continue contesting the plaintiffs' claims vigorously. However, U.S. Bank cannot assure you as to the outcome of any of the litigation, or the possible impact of these litigations on the trustee or the RMBS trusts.

On March 9, 2018, a law firm purporting to represent fifteen Delaware statutory trusts (the "DSTs") that issued securities backed by student loans (the "Student Loans") filed a lawsuit in the Delaware Court of Chancery against U.S. Bank National Association ("U.S. Bank") in its capacities as indenture trustee and successor special servicer, and three other institutions in their respective transaction capacities, with respect to the DSTs and the Student Loans. This lawsuit is captioned *The National Collegiate Student Loan Master Trust I, et al. v. U.S. Bank National Association, et al.*, C.A. No. 2018-0167-JRS (Del. Ch.) (the "NCMSLT Action"). The complaint, as amended on June 15, 2018, alleged that the DSTs have been harmed as a result of purported misconduct or omissions by the defendants concerning administration of the trusts and special servicing of the Student Loans. Since the filing of the NCMSLT Action, certain Student Loan borrowers have made assertions against U.S. Bank concerning special servicing that appear to be based on certain allegations made on behalf of the DSTs in the NCMSLT Action.

U.S. Bank believes that it has performed its obligations as indenture trustee and special servicer in good faith and in compliance in all material respects with the terms of the agreements governing the DSTs (the "Governing Agreements"), and accordingly that the claims against it in the NCMSLT Action are without merit.

U.S. Bank has filed a motion seeking dismissal of the operative complaint in its entirety with prejudice pursuant to Chancery Court Rules 12(b)(1) and 12(b)(6) or, in the alternative, a stay of the case while other prior filed disputes involving the DSTs and the Student Loans are litigated. On November 7, 2018, the Court ruled that the case should be stayed in its entirety pending resolution of the first-filed cases. On January 21, 2020, the Court entered an order consolidating for pretrial purposes the NCMSLT Action and three other lawsuits pending in the Delaware Court of Chancery concerning the DSTs and the Student Loans (the "Consolidated Action"). U.S. Bank and other parties to the Consolidated Action have briefed and argued motions for judgment on the pleadings pursuant to Chancery Court Rule 12(c) regarding disputed issues of contractual

interpretation at issue in one or more of the cases comprising the Consolidated Action, including the NCMSLT Action. The Court has not yet ruled on these motions or on U.S. Bank's dismissal motion in the NCMSLT Action.

Item 1119 of Regulation AB, Affiliations and Certain Relationships and Related Transactions.

The information regarding this Item has been previously provided in a prospectus supplement of the Registrant relating to the issuing entity filed on March 18, 2014 pursuant to Rule 424(b)(5).

Item 1122 of Regulation AB, Compliance with Applicable Servicing Criteria.

The reports on assessments of compliance with the servicing criteria for asset-backed securities and related attestation reports on such assessments of compliance with respect to the mortgage loans are attached hereto under Item 15 to this Annual Report on Form 10-K. Attached as Schedule II to the Pooling and Servicing Agreement incorporated by reference as Exhibit 4.1 to this Annual Report on Form 10-K is a chart identifying the entities participating in a servicing function for the transaction responsible for each applicable servicing criteria set forth in Item 1122(d).

The reports on assessments of compliance with the servicing criteria for asset-backed securities and related attestation reports on such assessments of compliance with respect to the Google and Amazon Office Portfolio Mortgage Loan, which is being serviced and administered pursuant to the pooling and servicing agreement for the COMM 2014-CCRE14 Transaction, are attached hereto under Item 15 to this Annual Report on Form 10-K. Attached as Schedule II to the pooling and servicing agreement for the COMM 2014-CCRE14 Transaction incorporated by reference as Exhibit 4.2 to this Annual Report on Form 10-K is a chart identifying the entities participating in a servicing function for the COMM 2014-CCRE14 Transaction responsible for each applicable servicing criteria set forth in Item 1122(d).

The report on assessment of compliance for the twelve months ended December 31, 2022, furnished pursuant to Item 1122 of Regulation AB by KeyBank National Association ("KeyBank"), as servicer, discloses that the following material instance of noncompliance occurred with respect to its platform:

The examination performed by Ernst & Young LLP identified an instance of material noncompliance with the servicing criteria set forth in Item 1122(d)(4)(ix) of Regulation AB applicable to KeyBank during the year ended December 31, 2022. During compliance testing, it was discovered, that not all FlexARM loan mortgagors were offered loan rates within 45-60 days before the rate change date, as required per the related pool asset documents. Per the related note, if the holder fails to offer a loan rate within 45-60 days of any change date a margin of 2.25% is to be used. Given the notification was not made to the borrowers, a 3% margin was incorrectly applied. The noncompliance in Item 1122 (d)(4)(ix) is related to a servicing portfolio which is wholly owned by the investor and is not held in a publicly traded security.

The following remediation procedures have been initiated by KeyBank: (i) the impacted mortgage loans are currently in the process of being identified, (ii) investor contact has been initiated, (iii) corrective actions are being considered and will be tracked and monitored by senior management, (iv) procedures will be reviewed and revised, if necessary, to include new tracking and action steps to prevent this situation from recurring in the future, and (v) training will be provided to the relevant staff members to prevent a recurrence.

Item 1123 of Regulation AB, Servicer Compliance Statement.

The servicer compliance statements are attached as Exhibits to this Annual Report on Form 10-K.
